Decision No. 70196

Request for Extension

IPC Network Services, Inc. ("IPC") hereby requests a fourteen (14) day extension for the filing of the performance bond or letter of credit as required by the above-referenced decision. According to the Opinion and Order of the Arizona Corporation Commission ("Commission") on March 20, 2008, IPC was ordered to procure a performance bond or an irrevocable sight draft letter of credit in the amount of \$35,000 and file the original of bond or letter of credit with the Commission's Business Office and copies with Docket Control within 30 days of the Effective Date of the Decision, or April 20, 2008. IPC has since been unable to secure said bond or letter of credit due to difficulties with its lender and confusion as to the form of the bond or letter of credit, and thus hereby requests a fourteen day extension so that the bond or letter of credit will be due May 4, 2008 in order to allow IPC adequate time to arrange for the issuance of the bond or letter of credit.
